

Speaker Bluetooth

00188219 "Mate Pro" Bluetooth® Loudspeaker, Waterproof IPX6, Power Pack, 60W, blk

Highlighttext:

- Portable outdoor Bluetooth loudspeaker with power pack function for perfect music enjoyment at an indoor or garden party with a mobile phone, tablet or laptop, or at home in the living room or outdoors by the lake
- Pro sound experience with outstanding sound performance: in cooperation with Canton, the portable music box boasts enhanced sound technology and impressive pro sound quality
- Powerful sound delivering 60 Watts: the Bluetooth speaker is equipped with a high-fidelity, two-way bass, mid-range and tweeter configuration along with a passive membrane for the lowest frequencies on each channel. A Pro Sound experience for a party at home or in the garden
- Music box for a symbiosis of tweets, mid-range and bass: equaliser with three different sound effects with Bass Sound, Power Sound and Balanced Sound, delivering the perfect listening experience at the press of a button
- Integrated power pack: smartphones, tablets, etc. can be charged directly on the loudspeaker via USB-A
- Mobile and robust: sound quality doesn't depend on the weather, so the Bluetooth speaker is protected against jet, rain and splashing water thanks to IPX6
- Enjoy your favourite songs for a long time: the loudspeaker can be used via Bluetooth for up to 12 hours
- Full mobility thanks to battery operation with LED charging indicator: fast charging within 3 hours with USB-C interface
- Pair the loudspeaker thanks to True Wireless Stereo (TWS) - connect two loudspeakers via Bluetooth and position them anywhere in the room for true stereo sound
- With the integrated hands-free system, making phone calls in HD quality is very easy
- Universal in use thanks to Bluetooth 5.0: simply connect the loudspeaker to compatible devices, from notebooks and TV sets to smartphones - fast, stable and energy-efficient data transfer
- Can also be used with jack plugs: connect via the AUX-in cable and spare the battery, ideal for a particularly stable connection
- Charge via USB-C: the cable for rapid charging is included
- Robust, washable surface - if things ever get muddy at a festival or garden party
- Always have the sounds with you: portable loudspeaker with handle and detachable carrying strap

System Requirements:

- Bluetooth-enabled device for wireless connection with the loudspeaker
- Device with AUX port for connection to the loudspeaker via a jack cable

Note for Consumers:

The period of use via Bluetooth depends on the volume and the charging function for smartphones, etc.

Technical characteristics:
