Ergonomic Laptop Stand with Flexible Height and Viewing Angles for MacBooks and All Laptops up to 16"

Foldable and Portable for Travel

Collapses down and folds up for a slim profile, making it ideal for travel and working on-the-go. The perfect plus one for laptops.

The Laptop Stand That Adjusts to You

Elevate your laptop to an ergonomic height of up to 22" off your desk. Position your MacBook at the ideal height and viewing angles, and create the perfect desk set up that allows you to view your screen how you want.

Premium and Sturdy Aluminum Design

An adjustable-height stand made from premium aluminum that's sturdy enough to type on.

Non-Slip Silicone Grips

Designed with non-slip silicone grips on the bottom of the stand,. alongside raised edges, preventing your laptop from moving around and coming off the stand.

Improve Airflow for Optimal Cooling

The design of the stand allows XX% of the base of your laptop to remain exposed, optimizing its cooling capabilities and stopping it from overheating.
