## ARTICONA 8K/3x4K Portable USB-C Dock

Article number: 4821750

Compact aluminium USB dock with integrated USB-C cable, 25 cm  
Works without an AC adapter (self-powered) or with an external USB-C adapter (bus-powered)  
USB-C Power Delivery provides power to laptops of up to 85 W (20.0 V, 4.25 A)

### Highlights:

- DisplayPort 1.4 video (max. 8K at 30 Hz or 4k at 144 Hz)
- HDMI 2.0 video (max. 4K at 60 Hz)
- The RJ45 port supports the connected laptop/PC's PXE boot and wake-on LAN functions.
- High-quality aluminium housing

### Please Note:

To both use the monitors' functions and power delivery, the USB-C connection of your laptop must support DP alt mode (MST) and USB Power Delivery or Thunderbolt.

The dock itself needs up to 15 W. Use a power supply unit with sufficient power. (E.g. 65 W power adapter, only 50 W goes to the laptop).

AC adapter not included. The laptop's USB-C AC adapter can be used or one must be purchased in addition.
