

Mouse wireless

00182691 "EMW-700" Vertical Ergonomic Mouse, Multi Device, Rechargeable, ant.

Highlightstext:

- This first-class, high-tech mouse is the epitome of "multi": an all-rounder offering ergonomics at the workstation, when connecting devices and during connection. Maximum performance for improved productivity at the workstation
- No tedious unplugging: with a click, easily switch between up to three devices
- Pain-free working on the computer and notebook: vertical design of the mouse prevents excessive strain and pain in the shoulder and wrist, ensuring more comfort and ergonomics through a natural posture
- dpi switch for adjusting the pointer speed
- For the special lighting effect at the desk: choose from various lighting modes, e.g. change the colour at the press of a button
- High-resolution optical sensor ensures precise and smooth control of the mouse cursor
- Browser buttons provide quick access to the forward/back functions in the Web browser for easy navigation
- Storable USB receiver can be transported inside the mouse to save space
- Separate on/off switch allows for energy-saving use of the mouse
- Built-in rechargeable Li-ion battery. When the battery is flat, simply charge it with the charging cable (runtime approx. 80 days with everyday use)
- Switchable sensitivity between 1000, 1600 and 2400 dpi
- 2.4 GHz radio technology and Bluetooth 4.2 for reliable, interference-free and fast signal transmission
- Display indicating which mode is set
- Radio range of up to 10 m
- RGB illumination can also be switched off

System Requirements:

- Windows 11/10/8, Android 4.3 or later, MacOS 10.10 or later, iOS 13 or later

Note for Consumers:

Only use the USB charging cable included for this product.

Technical characteristics:
