Logitech® Professional Presenter R700

Wireless Presentation Clicker Remote with Green Laser Pointer and LCD Display, Black

- Navigate through your presentation with confidence with the intuitive slideshow controls.
- Powerful and easy to see - even in brightly lit rooms - so your audience knows exactly what you're pointing to
- With the easy-to-read LCD display, you can check your remaining time and battery level without your audience even knowing. The presentation remote will silently vibrate close to the end warning you it's time to wrap up.
- You'll enjoy the freedom to move around the room up to 30 meters2Wireless range may vary based on user, environmental and computing conditions. and engage with your audience for greater impact. A reception-level indicator ensures you don't wonder too far.
- There's no software to install. Just plug the receiver into a USB port to begin. And when the show is over, you can store the receiver in the presentation remote.
- With LCD display for time tracking
