

SmartFit® Space-Saving Monitor Arms

Single Arm Part Number: K55512WW | UPC Code: 0 85896 55512 4
 Dual Arm Part Number: K55513WW | UPC Code: 0 85896 55513 1

Raise your
level of comfort.

Finding the correct ergonomic monitor adjustment is easy - even for desks with a shallow depth - with the SmartFit® Space-Saving Monitor Arms. Easy, non-permanent installation includes necessary tools. A pre-installed C-clamp faces the front of the desk making installation much simpler, especially in tight spaces (optional grommet mount included).

Features include:

- Perfect for desks with a shallow depth
- Quick-release VESA® mounts
- SmartFit® makes it easy to find the proper (ergonomic) height adjustment in landscape or portrait orientation
- A single base holds two monitors (K55513WW only)
- Pre-installed C-clamp faces front of desk, making installation much simpler, especially in tight spaces (optional grommet fastener included)
- Installation tools included
- Easy-grip adjustment knob
- Sturdy, space-saving, and non-marking design - perfect for home or office use
- C-clamp fits desks up to 85mm (3.3") thick
- Grommet mount fits desks up to 40mm (1.5") thick
- Compatible with sit/stand desks
- Complements a modern aesthetic
- Keeps desk clear and clutter free (including cable management)

The Professionals' Choice™

SmartFit® Space-Saving Monitor Arms

Single Arm Part Number: K55512WW | UPC Code: 0 85896 55512 4

Dual Arm Part Number: K55513WW | UPC Code: 0 85896 55513 1

Made for Shallow Spaces

Unique design allows easy monitor adjustment, even in tight spaces.

Easy-Grip Adjustment Knob and Quick-Release VESA® Mounts

Knob allows you to quickly and easily adjust height (239-470mm), tilt and swivel ($\pm 10^\circ$). Rotate to landscape or portrait orientation ($\pm 180^\circ$) and lock your monitors in place. Quick-release VESA mounts simplify monitor installation.

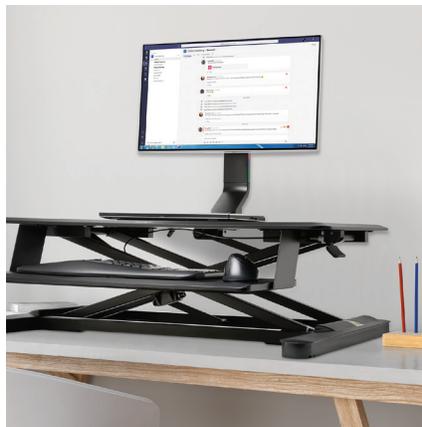

SmartFit® System

With SmartFit®, finding the right height for maximum comfort is as easy as 1-2-3. Simply match your hand size to the colour on the provided chart, set the height to your colour and you're done.

Easy, non-permanent Installation

Includes necessary tools and a pre-installed C-clamp that faces the front of the desk, making installation much simpler, especially in tight spaces (optional grommet mount included). C-clamp fits desks up to 85mm (3.3") thick. Grommet mount fits desks up to 40mm (1.5") thick. Compatible with sit/stand desks.

Perfect for Home or Office Use

Sleek, sturdy, space-saving design complements a modern aesthetic while keeping your monitors steady and stable (supports monitors up to 27" and up to 8kg / 17.6lbs). Cable management system eliminates cable clutter for a cleaner desktop.

A Single Base Holds Two Monitors

Frees up valuable desk space. (K55513WW dual monitor arm only) Allows two monitors to be placed side-by-side and at a proper distance from the viewer.

SmartFit® Space-Saving Single Monitor Arm

Part Number: K55512WW | UPC Code: 0 85896 55512 4
