

Bluetooth-Headset

00184073 "Spirit Go" Bluetooth® Headphones, True Wireless, In-Ear, white

Highlightstext:

- True wireless headset for comfortable telephony at work, in the car or on the move
- Bluetooth at its best: maximum freedom of movement as both earphones are not connected by cable
- Great music straight away: when the charging box is opened, both earphones activate automatically and connect to each other and the mobile phone
- The perfect fit reduces unwanted exterior noise so that you can enjoy your music without being disturbed
- Supports the voice assistants Siri and Google Assistant: Bluetooth pairing and touch control allow direct access - without having to hold the smartphone
- Thanks to the integrated microphone you can easily switch between music playback and call answer. So you will no longer miss a call when listening to music.
- Silicone earbuds in three different sizes (S, M, L) for an individual, perfect fit
- Secure and comfortable grip in the ear thanks to in-ear design
- Easy use of the headset through speech information
- Smartphone function can be controlled via touch control (e.g. accept / make / reject calls / last number redial)
- Music control functions (play/pause)
- Volume can be controlled via voice assistants
- With charging box: this means that the headset can be charged up to 4x while on the move - thanks to the integrated battery without external power supply
- Music time / talk time: 4 h with a fully charged headset, 20 h with mobile docking station
- Easy setup with auto power control and auto-pairing as soon as the charging box is opened
- Charging box with USB-C connection
- Battery capacity of the charging box is indicated by 4 LEDs

System Requirements:

Smartphone with Bluetooth standard v 4.2 or later

Note for Consumers:

To use the earphones for the first time, they must be paired with your smartphone after you open the charging box. Follow the instructions for use.

Next time you use them, the earphones will automatically connect to each other and the paired mobile phone.
