

CARTIPAD DUO - CHARGING CABINET FOR 32 DEVICES

SKU: DUO-EU

PRODUCT

The CartiPad Duo combines two of our CartiPad Solo security charging cabinets with our CartiPad Cart. The Duo cart houses up to 32 iPad units and with its modular design can be adjusted for all your mobile computing devices. Without the need for any new cables or power cords the CartiPad DUO uses the original existing power source of your devices and is ready for use out-of-the-box! The CartiPad DUO weighs 92lbs (33.75lbs for each storage charging unit and 24.25lbs for the cart) when empty.
