The Belkin CONNECT Family

CONNECT products are all about making connections. From cables that charge and share data, to docks that bring devices together for a more streamlined experience, CONNECT delivers data in the most efficient way possible, while maintaining the highest levels of quality. The very first product Belkin released to market was a cable, and we are proud to say that making connections has been an essential part of our story ever since.

The Belkin CONNECT Family Characteristics

- Developed for compatibility with industry-leading protocols (examples include Dolby Vision, HDR 10, HDMI, DisplayPort™)
- High-resolution support
- Maintains high-speed connection for smooth picture
- Simple plug-and-play connectivity
- Durable construction

The Belkin Difference

- Pioneer in innovation and technology for over 35 years
- Rigorously tested to ensure lasting quality
