

ARTICONA is Bechtle's own brand of IT accessories for the modern workplace and stands for quality and reliability in everyday business.

Mini-DP - DVI-D Adapter

Article number: 894016

This active mini DisplayPort adapter lets you convert your graphics card's mini DisplayPort signal to DVI. The adapter supports AMD Eyefinity and enables the use of 3 monitors with a single graphics card. With 2 graphics cards and 2 adapters, you can use 6 monitors. The adapter is also suitable for integrated Intel graphics solutions with i3, i5 and i7 processors. In addition, it supports Thunderbolt and video output for most Apple Mac computers and notebooks.

- Active Mini DisplayPort-to-DVI adapter
- Supports AMD Eyefinity
- Connect 3 monitors to an AMD video card
- Suitable for Apple devices with Thunderbolt
- Supports Intel i3, i5, i7
- Ideal for multi-display applications
- Modern design
- Resolutions up to Ultra HD, 4K2K at 30 Hz and 1080p at 60 Hz
