

Tablet Bag with Keyboard

00217217 "Premium" Tablet Case with Keyboard for Apple iPad 10.9" (10th gen. 2022)

Highlightstext:

- Comfort and protection in one tablet case: tablet case protects against dirt, dust and scratches and with the compact Bluetooth keyboard is an ideal work tool for on the go - ideal for all bloggers, YouTubers, influencers and anyone who uses social media channels professionally
- Even more flexibility thanks to the magnetic, removable keyboard
- Stable stand for the tablet: simply unfold the tablet case using the sturdy metal hinge and conveniently use the tablet with the keyboard for work
- Magnetic closure tab for secure closure of the pocket
- Like a notebook, but more compact: for those who are on the go a lot but who don't want to forego comfort while working, while writing a blog, preparing a presentation or answering e-mails
- Elasticated corners for easy attachment and a firm hold
- Openings for full access to connections and controls
- Media keys for specific functions of the respective operating systems
- Fast, easy cleaning and pleasant typing thanks to flat, individually positioned keys
- Silent buttons allow undisturbed and relaxed working without clicking noise
- Control multimedia functions at the press of a button via the secondary assignment of Fn keys - without having to involve the tedious steps of changing system settings
- Fn lock for rapid switches between first and second assignment of the keyboard. Handy if you use the multimedia functions much more often than the functions of the F keys, for example
- Matt surface, discreet design: whether a casual blogger or a classic business type, the tablet case is the perfect match
- Built-in rechargeable battery
- With caps lock key LED, Bluetooth status LED, LED charging indicator, power LED, separate on/off switch and pairing key
- German keyboard layout (QWERTZ)
