

Audio headset, Bluetooth

00221771 "Passion Clear II" Bluetooth® Headphones, True Wireless In-Ear, ANC, App, blk

Highlightstext:

- For a maximalist listening experience and your very own listening profile - perfect sound, convenient control: the wireless in-ear headphones with superb sound quality offers ANC, app control, ENC and ambient mode
- Convenient app control via "Hama Smart Home": e.g. switch on ANC, transparency mode and the equaliser, Find My function, touch commands, name change or battery status of each earphone in per cent
- Indoors, outdoors or on public transport: the active noise cancelling headphones with their in-ear design passively and actively in 3 stages screen out noise - with Commuting, Indoor and Outdoor ANC
- Extremely fast charging: thanks to Fast Charge, the Bluetooth earbuds are charged at high speed - just 10 minutes of fast charging are enough for a play time of 1.5 hours
- Improved voice quality when making calls: the Bluetooth headset with ENC noise cancellation filters out disturbing ambient noise directly at the microphone - so your voice comes through crystal clear
- Touch control: the touch sensor allows intuitive operation without having to take your mobile phone out of your pocket, e.g. music playback (Play/Pause), take/make/reject calls / last number redial
- The perfect fit for your ear: the Bluetooth headphones with their in-ear design and silicone ear tip fit securely and comfortably in any ear
- The personal touch: custom-control the headphones in the "Hama Smart Home" app and switch even more quickly between modes
- When listening to music, don't miss the important announcements: if necessary, listen to ambient sounds at reduced volume, while vocal transparency mode only allows voices through, e.g. announcements on the train
- Bass at the press of a button and so much more: the wireless headphones with no fewer than 9 equaliser modes create the perfect audioscape for your favourite sounds
- Intensive music enjoyment thanks to True Wireless Stereo (TWS): the headphones produce an authentic sound experience - for a live concert feeling at the press of a button whenever and wherever you want
- Reduced to the only thing that matters: comfortable in-ear headphones without tangling cables for even more freedom
- Great music straight away: when the charging box is opened, both earphones activate automatically and connect to each other and the mobile phone
- Supports the voice assistants Siri and Google Assistant: Bluetooth pairing and touch control allow direct access - without having to hold the smartphone
- Louder and quieter via voice command: volume can be adjusted via voice assistants
- Charge the headphones in the case on the go: the case can charge the wireless headset up to 3 x
- Music time headset-only: 5 h without ANC, 4 h with ANC
- Total music time with recharging in the charging tray: 20 h without ANC, 16 h with ANC
- Talk time: 5 h with a fully charged headset
- Use only ANC: 8 h with a fully charged headset
- Quick charging protects the battery: the earphone batteries are charged to 85% in 30 minutes - Total charging time for in-ear headphones and charging box: 2 h
- Always in view: LED function indicator on the charging box flashes when the battery is low - You immediately know when you need to recharge
- Charge the headphone case via USB-C cable, charge the wireless headphones in the charging tray

System Requirements:

- Bluetooth-enabled device Bluetooth standard v 4.2 or later

Note for Consumers:

First use: pair the Bluetooth headphones with the smartphone after removing them from the charging box; see the instructions for use. Next time you use them, the earphones will automatically connect to each other and the paired mobile phone.
