# Backpack Plus Extended SEVEN 15-17.3

Engineered to Protect. Built to Last.

The SEVEN Backpack is designed for professionals who demand more, it combines decades of expertise with cutting-edge innovation to make mobile working safer, smarter, and more sustainable. Offering best-in-class functionality, protection, and comfort, the backpack has been engineered with precision. Key features include DICOTA Cushion Technology for reliable device protection, integrated RFID shielding to secure sensitive data, and a dedicated tracker compartment for additional peace of mind. Thoughtful organisation ensures that all your essentials are always within easy reach, while the ergonomic design guarantees carrying comfort throughout the day. What makes the SEVEN Backpack truly unique is its commitment to sustainability inside and out. Both the exterior and interior are crafted from high-quality rPET materials, giving a second life to recycled plastic bottles while delivering the durability and premium finish synonymous with DICOTA. The result is more than a backpack – it is the new benchmark in mobile protection: durable, protective, sustainable, without compromise. This is DICOTA at its best – ready to support you wherever your work takes you.
