## DisplayPort Cable m/m, slim 1.2 black

Article number: see below

Premium and elegant Slim DisplayPort cable with coax technology. The Super Slim DisplayPort cable has a diameter of just 3.3 mm or 4 mm and is therefore very flexible and space-saving. It offers all functions of the DisplayPort standard 1.2 plus Ultra HD resolution with 60 Hz.

- Super Slim DisplayPort cable with coax technology
- External diameter of 3.3 mm (0,5 m – 2 m) or 4 mm (3 m)
- Resolutions up to Ultra HD 4K at 60 Hz
- AWG 36 (0,5 m – 2 m) or AWG 34 (3 m) coax cable, black PVC sheath
- Low Weight
- Lightweight and flexible
- Ideal for on the go
