

DELL PREMIER
RECHARGEABLE
MOUSE

MS900

Made to fit your hand

DELL PREMIER RECHARGEABLE MOUSE

MS900

Masterfully crafted to be extremely comfortable and easy to use thanks to its sculpted curves, innovative scroll wheels and long-lasting battery.

Long lasting operation

Works up to 3 months¹ with a full charge, and no need to replace batteries. Fast charge in 2 mins for full-day¹ of use with USB-C quick charging.

Advanced Exchange Service gets you a replacement mouse should your existing one become faulty within the 3-year warranty period.²

Seamless and secure connectivity

The dual mode RF 2.4 GHz and Bluetooth^{®3} 5.1 connectivity lets you effortlessly connect and switch with up to 3 devices (two connections via Bluetooth^{®3} and one connection via RF dongle).

Securely pair the mouse with your device with just one click⁴ with Dell Pair⁵ and with Dell Secure Link USB Receiver (RF) — the transmission is encrypted to keep your data safe.

Work everywhere

Thanks to the track-on-glass sensor you can easily work wherever you need to from glass and wood, to park benches and café tables alike. The DPI is adjustable from 800 to 8000 in increments of 200 so you can dial in the mouse to your preferences.

The ultra-smooth gliding feet create a smooth and quiet glide as you move the mouse for a more satisfying user experience.

¹ Battery life calculation based on an assumption of an average use of 8 hours a day. Battery life may vary depending on user and computing conditions.

² Replacement part/unit dispatched, if needed, following completion of phone/online diagnosis. Fee charged for failure to return defective unit. Availability varies.
