The SEVEN Top Traveller Roller represents the pinnacle of mobility within DICOTA's new flagship series. Designed for professionals who travel frequently, it combines robust construction, intelligent organisation, and advanced protection with a sleek, premium look. <break>With DICOTA Cushion Technology for maximum device safety, integrated RFID shielding to secure sensitive data, and a dedicated tracker compartment for peace of mind, this trolley offers best-in-class functionality. Multiple compartments provide structured storage for notebooks, documents, and accessories, while smooth-running wheels and a durable telescopic handle ensure effortless travel. <break>What makes the SEVEN Top Traveller Roller stand out is its commitment to sustainability inside and out. Both the exterior and interior are crafted from high-quality rPET materials, giving a second life to recycled plastic bottles while ensuring long-lasting durability.<break>The result is more than a trolley - it is the new benchmark in mobile protection: robust, secure, and sustainable, without compromise. <break>This is DICOTA at its best - the professional's trusted travel companion. <break>
