

## Audio headset, Bluetooth

00221753 "Freedom Light II" Bluetooth® Headphones, TWS Earbuds, Microphone, white

### Highlighttext:

- Clear sound in your favourite colour: True Wireless headset for wireless music enjoyment and comfortable telephony at work, on the bus, on the train or while out walking - good sound quality, convenient control and long playing times in a design that delights the ear and the eye
- Something for the eye and the ear: The beautifully designed wireless headphones in white are the perfect accessory for your outfit and style - good sound that's a sight to behold
- Rich sound: music, podcasts or calls - with a 20-hour battery life thanks to the mobile charging box, you can listen to your favourite albums all day long
- Intensive music enjoyment thanks to True Wireless Stereo (TWS): the headphones produce an authentic sound experience - for a live concert feeling at the press of a button whenever and wherever you want
- Reduced to the only thing that matters: comfortable earbuds without tangling cables for even more freedom
- Touch control: the touch sensor allows intuitive operation without having to take your mobile phone out of your pocket, e.g. music playback (Play/Pause), take/make/reject calls
- Great music straight away: when the charging box is opened, both earphones activate automatically and connect to each other and the mobile phone
- Supports the voice assistants Siri and Google Assistant: Bluetooth pairing and touch control allow direct access - without having to hold the smartphone
- Thanks to the integrated microphone you can easily switch between music playback and call answer. So you will no longer miss a call when listening to music.
- FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
- Louder and quieter via voice command: volume can be adjusted via voice assistants
- Charge the headphones in the case on the go: the case can charge the wireless headset up to 3 x
- The charging box is charged via the USB-C connection
- Music time / talk time: 5h/3h with a fully charged headset, 20h/12h with mobile docking station
- Warns in the event of a low battery - you instantly know when you need to top up

### System Requirements:

- Bluetooth-enabled device

### Note for Consumers:

To pair the earphones with the smartphone via Bluetooth, both earphones must be taken out of the charging box and paired on the first connection. If this does not happen, only one earphone will pair. Follow the instructions for use.

Next time you use them, the earphones will automatically connect to each other and the paired mobile phone.
