Product Benefits

- **High-Fidelity Sound:** Devialet has been fine-tuning audio for over 10 years. Their research has culminated in powerful bass, high volume, minimal latency, distortion, and background noise. The resulting high-end, high-fidelity sound creates an experience capable of invoking an emotional response from listeners.
 - SAM (Speaker Active Matching) is Devialet's patented technology that perfectly renders the original intent of the artist with high-fidelity sound reproduction.
 - Devialet's signature Push-Push dual woofer configuration cancels vibration, while providing a deep and impactful sound experience.
- **Fast Wireless Charging:** Belkin's wireless charging expertise provides peace of mind that you safely get the fastest possible wireless charge while Devialet's Push-Push technology cancels out vibrations to create a safe, stable platform for your charging device.
- **Multi-room Functionality:** Pair with other Alexa- and AirPlay 2-enabled speakers and play music throughout any environment.
- **Voice Assistant:** Unlock music, ask questions, set reminders, enjoy entertainment, and control your smart home with Amazon Alexa integration.
- **Streaming:** Amazon Alexa, AirPlay2, and Bluetooth integration allows you to seamlessly access the music you love.
 - **Spotify Connect:** A better way to listen at home. Listen on your speakers or TV, using the Spotify app as a remote. Enjoy the music together.
- **Design:** Belkin's award-winning design team provides a strikingly beautiful speaker that draws attention from every angle.
