

ARTICONA is Bechtle's own brand of IT accessories for the modern workplace and stands for quality and reliability in everyday business.

USB Type-C Cable 1.2m

Article number: 4578060

High-quality USB 4 3x2 cable with E-mark for 20V at 5A and reversible USB-C plugs on both sides. The cable offers more durability with aluminium plugs and additional sheathing. With this cable you can connect new USB-C plugs and devices with data transfer rates of up to 40 Gbit/s. The E-mark enables problem-free recognition, synchronization and charging of devices of the latest generation with up to 20 V at 5 A / 100 watts. It also supports docking station connection and video transmission up to 8k for single displays or 4k60Hz when using dual displays.

- Full-featured USB4 Type-C cable (USB4 Gen3x2)
- Up to 40Gbps operation over USB4 GEN3*2 40Gbps cable
- Supports up to single 8k 60Hz resolution or dual 4K display at 60Hz
- Backwards compatible with USB 3.1, 3.0 and 2.0 and Thunderbolt 3
- With E-marker chip
- Supports USB power delivery 3.0 (5V/3A-20V/5A), maximum 100W
- Cotton braid and aluminum housing

Specifications
