HEIGHT ADJUSTABLE FLOOR STANDS

AUTOMATIC 

SMOOTH OPERATING SYSTEM
With the NewStar automatic height adjustable floor stands you can easily and smoothly operate your large display in the best suited position.

PLASMA-W2500SILVER

Place a large-size screen against the wall of your boardroom, presentation room or company entrance with the stylish PLASMA-W2500SILVER. It is the perfect solution for schools and other educational environments. Easy and stable adjustable in height.

PLASMA-M2500BLACK

This mobile electric floor lift is easily transportable over bumps and thresholds with high quality braked double-wheels. Height adjustment is done with a remote control.

PLASMA-M2500SILVER

Looking for an automatic tilt function? With the PLASMA-M2500SILVER you can easily change your screen from an upright position to a table position. A perfect solution for use with touchscreens in classrooms or entertainment environments. Stable and high quality for intensive use.
