HP USB-C™ to HDMI 2.0 Adapter

Show and share your work

Collaborate on the fly in conference rooms, team rooms, and more when you project your notebook or mobile device's high-definition video and audio content to an external display, projector or TV with the HP USB-C to HDMI 2.0 Adapter.

One-cable setup
Connect the USB-C™ end of the adapter to your device's USB-C™ port and the HDMI end to your display, projector or TV's HDMI port for immediate large-screen viewing of your content.

Ready to go
Pack the small adapter in your device's carrying case for quick content projection, wherever you work.

Call-or-click support
Rest easy with a one-year limited warranty.
