HP 245 14 inch G9 Notebook PC

Powered for business

Get connected with the value-priced HP 245 Laptop PC, featuring powerful technology and a streamlined chassis that's easy to take everywhere you go. Complete business tasks with an AMD Ryzen™ processor² and essential collaboration tools.

*Product image may differ from actual product

HP recommends Windows 11 Pro for business

Nice and light

 The HP 245 Laptop keeps up with mobile workstyles with a thin and light design. The optional 400-nit Full HD display^{3,4} with its narrow border design and big screen-to-body-ratio⁵ provides ample space for work or streaming content.

Built for work and ready for fun

 Confidently complete projects with the latest technology including a robust AMD Ryzen™ processor² with up to 32GB DDR4 memory³, optional dual channel memory, dual storage, and solid-state storage.³

Be seen and heard with clarity

- Connect with your team, whether they are in the next room, or miles away.
 The HD camera featuring temporal noise reduction helps you stand out, and
 Al-based noise reduction with dual-array mics provide a high-quality sound experience.
- Work with ease on the large 14-inch diagonal display with 400 nits of brightness and low blue light, featuring a thin bezel with a large screen-tobody ratio that creates a better overall experience.⁵
- Optimized for video calls in low-lighting conditions. The HD camera provides visual clarity, while temporal noise reduction lowers the effects of visual noise and pixelation, allowing increased definition so you can capture all the details.
- Get a fast and reliable connection in dense wireless environments with optional gigabit-speed Wi-Fi 6 and an optional WLAN 802.11ac/Bluetooth[®] 5.0 combo.^{3,6,7,8}
- Get the best of both worlds with dual storage options. Boot up and access apps faster with a high-speed solid-state drive and enjoy expansive storage for digital media with a high-capacity hard drive.^{3,9}
- Get an effective online call and meeting experience with AI-based noise reduction and dual-array mics. AI-based noise reduction improves collaboration by applying industry-leading, noise-filtering technology to all inbound and outbound audio.
- Secure your laptop against hardware and malware threats with the matchon-host fingerprint sensor. Capture, secure, and store your biometric asset, while the host system protects the integrity and privacy of your fingerprint data.³
- The Trusted Platform Module (TPM) provides hardware-based encryption keys to help secure your data, e-mail, and user credentials.¹¹
- Quickly connect to your wired network and peripherals in the office or at home with a USB Type-C[®] data port, an RJ-45, and HDMI ports.
- Keep going even in dimly lit rooms or aboard red-eye flights. With an illuminated backlit keyboard, you can type comfortably in more environments.³

HP 245 14 inch G9 Notebook PC

Accessories and services (not included)

HP 235 Wireless Mouse and **Keyboard Combo**

Experience a keyboard and mouse combo that's comfortable, sleek and quiet. Now you can be at your most efficient with the least amount of noise. Plus, with keyboard shortcuts and long-lasting batteries, you can stay productive all day long. **Product number: 1Y4D0AA**

HP Renew Business 14.1-inch Laptop Bag

Now you can feel good about the bag you use to protect your laptop. Designed to keep your laptop protected and accessories organized, the Renew Business 14.1-inch Laptop Bag uses environmentally-responsible materials that are durable, easy to clean and designed for comfort.
Product number: 3E5F9AA

HP Stereo 3.5mm Headset G2

Hop on and hop off calls all day long without ever losing a beat. Plug right in and get ready to speak and hear clearly all day. With noise-cancelling, comfortable design, and easy adjustment, your sound comfort will carry you from call to call without interference or frustration.

Product number: 428K7AA

HP 245 14 inch G9 Notebook PC

Messaging Footnotes

- ² Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.

 ³ Optional feature that must be configured at the time of purchase.

 ⁴ Full high-definition (FHD) content required to view FHD images.

- Four in Factures 78.4% screen-to-body ratio. Percent of active plus non-active viewing area to active viewing area plus border. Measured with lid vertical to the desk.

 Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 6 is backwards compatible with prior 802.11 specs.

 Wi-Fi[®] supporting gigabit speeds is achievable with Wi-Fi 6 (802.11 ax) when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 160MHz channels.

 Wi-Fi 5 is backwards compatible with prior 802.11 specs.

 Based on internal testing of SSDs vs. HDDs.

 Firmware TPM (TPM 2.0) is included. Discrete TPM (TPM 2.0) is available on select models and requires configuration at the time of purchase.

Technical Specifications Footnotes

- Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com.

 2 This computer is preinstalled with Windows 11 Home Single Language.

 3 Multicore is designed to improve performance of certains offware products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.

- ⁴ Processor speed denotes maximum performance mode; processors will run at lower speeds in battery optimization mode.
 ⁵ Max Boost clock frequency performance varies depending on hardware, software and overall system configuration.

- ' Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming.

 12 The term "10/100/1000" or "Gigabit" Ethernet indicates compatibility with IEEE standard 802.3ab for Gigabit Ethernet, and does not connote actual operating speed of 1 Gb/s. For high-speed transmission, connection to a Gigabit Ethernet server and network infrastructure is required.

 13 HD content required to view HD images.

 14 Resolutions are dependent upon monitor capability, and resolution and color depth settings.

 15 Gold separately or as an optional feature.

- ¹⁶ Backlit keyboard is an optional feature.

- 19 HS Support Assistant requires Windows and Internet access.

 20 Firmware TPM is version 2.0. Hardware TPM is 1.2, which is a subset of the TPM 2.0 specification version v0.89 as implemented by Intel Platform Trust Technology (PTT).

 21 30-day McAfee® LiveSafe™ trial included. Internet access required and not included. Subscription required after expiration. See www.McAfee.com for more details.

 22 HP Fingerprint sensor is an optional feature that must be configured at purchase.

 23 Actual battery Walt-hours (Wh) will vary from design capacity. Battery capacity will naturally decrease with shelf life, time, usage, environment, temperature, system configuration, loaded apps, features, power management settings and other factors.
- Availability may vary by country. 25 HP Care Packs are sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP The Care Packs are solus Separatery. Service levels and response times for HP care Packs flag vary depending on your geographic totations. Service starts on date of naroware purchase. Restrictions and infinitions apply. For declars, wist www.np.com/gorptc. HP services are solved and response times for HP care Packs flag vary depending on your geographic totations. Service prems and conditions of service or the HP Limited Warranty provided or indicated to Customer at the time of purchase.
