

## iPhone Mount with MagSafe for Mac Notebooks

Mount your iPhone securely onto your Mac notebook to utilize Continuity Camera features in the latest version of macOS for FaceTime, capturing content, video conferencing and more.

Our mount allows you to magnetically attach a MagSafe compatible iPhone to your Mac notebook and use the powerful rear camera as a webcam. Flip your iPhone orientation easily to stream or record in portrait or landscape hands-free. The MagSafe compatible iPhone mount allows iPhone 12 and later models to stay securely in both orientations. The magnetic mount doubles as a stylish ring grip for on the go, or a convenient kickstand at your desk. Premium finishes and bold design complement your Mac notebook and iPhone setup.
