Connect
Thunderbolt™ 4 5-in-1 Core Hub

Our Thunderbolt 4 5-in-1 Core Hub with up to 40 Gbps of bandwidth is the perfect all-in-one solution to connect your laptop to multiple devices through one Thunderbolt 4 cable. Create your ultimate workstation and become a production powerhouse connecting your laptop to monitors, external drives and other peripherals you use on the day to day. It also supports Power Delivery up to 96W, eliminating the need to choose between port expansion and power.

Product Benefits

- Supplies ports that have been eliminated from newer laptops
- Add 4 additional ports from one Thunderbolt connection
- 40 Gbps data transfer rate delivers quick data transfer between computer and peripheral devices
- Supports dual monitors up to 4K at 60Hz or a single 8K monitor at 30Hz*
- Power Delivery up to 96W eliminates the need to choose between port expansion and power
- Smart charging Dock Management Controller (DMC) ensures 15W to all Thunderbolt 4 Type-C accessory ports
- Daisy-chain up to 6 Thunderbolt equipped devices
- Overcurrent protection keeps connected devices safe
- 150W power supply unit included
- Low-profile design sits neatly at a desk, easily keeps cables organized
- 2-year limited warranty

Package Includes

- Thunderbolt 4 5-in-1 Core Hub, 150W power supply unit

Technical Specifications

- 1x Thunderbolt 4 port (upstream)
- 3x Thunderbolt 4 port (downstream)
- 1x USB-A 3.2 Gen 2 (10 Gbps)
- 96W Power Delivery
- 15W downstream charging from each port
- Supports single monitor resolution up to 8K at 30Hz or dual up to 4K at 60Hz*
- 150W PSU included
- Thunderbolt 4 cable included (2.6 ft./0.8m)

Compatibility

For Thunderbolt 4, Thunderbolt 3, USB4® and USB-C enabled devices

Connect
Thunderbolt™ 4 5-in-1 Core Hub
The Belkin Connect Family

Connect products are all about making connections. From cables that charge and share data, to docks that bring devices together for a more streamlined experience, Connect delivers data in the most efficient way possible, while maintaining the highest levels of quality. The very first product Belkin released to market was a cable, and we are proud to say that making connections has been an essential part of our story ever since.

The Belkin Connect Family Characteristics

- Developed for compatibility with industry-leading protocols (examples include Dolby Vision, HDR 10, HDMI®, DisplayPort®)
- High-resolution support
- Maintains high-speed connection for smooth picture
- Simple plug-and-play connectivity
- Durable construction

The Belkin Difference

- Pioneer in innovation and technology for over 40 years
- Rigorously tested to ensure lasting quality

Made with recycled plastic products†   100% plastic-free packaging
