

MeetUp Mic Extension Cable

Extra reach for a professional and tidy installation

MeetUp Mic Extension Cable adds 10 metres (32.8 ft) of reach to the mic's standard 6-metre (20-ft) cable. With 16 metres (52.5 ft) of total reach to work with, installers can route cables out of sight for a clean installation. The cable clip keeps connection tight for reliable performance.

WHAT'S IN THE BOX

- 10-metre extension cable
- Cable clip
- Documentation
- 2-year manufacturer's guarantee
