

# Enterprise-Class Designs to Enhance Productivity at Work

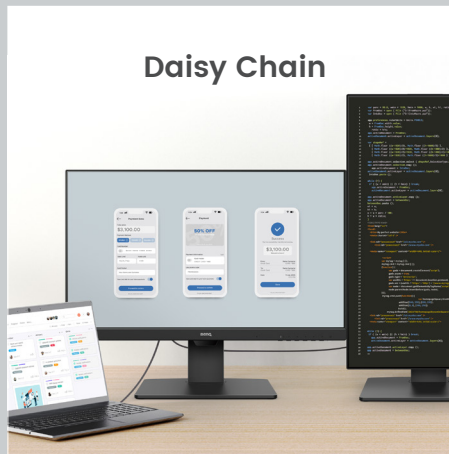

## BenQ BL2786TC Business Monitor

With BenQ BL2786TC business monitors, you are the boss of your workspace. Whether to boost your work efficiency with USB-C connectivity, enjoy expanded screen real estate on a dual-monitor setup, or find the perfect screen positioning for your tasks, you decide. Even extended work periods will keep your eyes comfortable.

### Versatile Connectivity Directs Your Workflow

One single USB-C™ cable simultaneously provides fast data transfer and 65W power delivery for your laptop and various personal devices. Two extra USB-A ports make it easy to connect your peripherals.

### Expand to Multiple Displays

Connect your computer to create a multi-monitor setup for extra screen real estate and a decluttered workspace by daisy-chaining. Utilize pivot rotation to customize views on multiple displays.

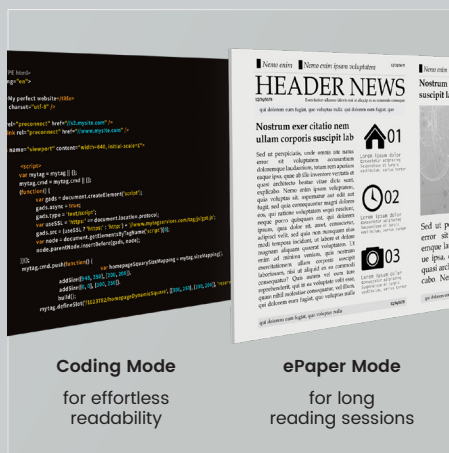

### Adjust for Better Efficiency

The monitor has tilt, pivot, swivel, and height adjustment to offer easy customization for flexibility in an ideal comfortable user environment.

### Smooth and Precise User Experience

100Hz refresh rate reacts more quickly to changes, resulting in a smoother and precise user experience.

### Color Modes for Multitasking

Devised to make every color pop out for easy readability with optimized contrast and saturation of dark mode.

### Smart Screen Brightness Optimization

The Brightness Intelligence sensor detects and actively adjusts screen to match your environment. B.I. Gen2 allows higher degree of adjustability with customizable screen brightness.
