Key features:²

Nokia G10 has a battery that goes days – not hours – between charges. The big screen will captivate your kids for the whole of the journey, and its triple rear camera with enhanced imagery solutions, means you're always ready to catch those special moments. Combine that with the latest Android™ 11, two years of software upgrades and three years of security updates and you've got a phone that will truly stand the test of time.

Family-sized battery power.

The Nokia G10 comes with a battery that can last up to three-days¹ between charges.

Family-sized, big screen entertainment.

The big screen comes with a brightness boost so everyone can still enjoy their favourite movies, TV and apps even in brighter daylight.

Capture family life when it happens.

With triple camera, you're always ready to capture those special memories, from school plays to family celebrations.

Designed to last.

Nordic design is renowned for both its refined minimalist aesthetic and elegant simple functionality. State of the art technology wrapped inside a lightweight, slimline, durable casing.

Security that keeps up.

With regular monthly security updates for three years, your files, videos, photos and data are always in the safest of hands.

Software that keeps getting better.

With Android™ 11 you can respond to and control your conversations across multiple messaging apps, all in the same spot. Plus, with two years of future updates promised, you'll always get the latest features.
