Brush strip, vertical for VX IT – DK 7827.544

created: 29.06.2021 on www.rittal.com/com-en

Product description

Description: Within the network distributor, this serves as a flexible infill panel which stylishly conceals the cable management area to the side of the 482.6 mm (19") mounting level. The brush strip facilitates convenient cable routing from the side and rear distributor area to the front connection level. The clearance required in front of the mounting level is at least 75 mm. The brush strip is mounted at the side on the vertical frame section, on horizontal or vertical punched sections.

Material: Aluminium section, natural anodised
Brush strip: Plastic, UL 94-HB

Assembly instruction: The brush strip will need to be shortened when mounting on 482.6 mm (19") mounting angles.

Product description

To fit: Enclosure type: TS IT
Height: 2000 mm

Dimensions: Length: 950 mm

Bristle length: 95 mm

Packs of: 4 pc(s).

Weight/pack: 2.04 kg

Copper weight (kg per piece): 0

EAN: 4028177552845
