Value USB Stick 32 GB

Article number: 900697

This USB stick is an inexpensive memory solution for all your files, whether business documents, photos, videos or music—and it weighs just 15 grams. A practical metal bracket protects the USB connection, making it ideal for use in the office or on the go. Compatible with all current operating systems such as Windows, Mac and Linux.

- 32 GB memory capacity
- Red LED (activity display)
- USB 2.0 interface
- With protective swivel cap and eyelet to attach for safekeeping
- Only 15 grams
- Compact, robust design
