

CONNECT→ Pro Thunderbolt™ 4 Dock

Connect to the next generation of Thunderbolt technology with Belkin's Pro Thunderbolt 4 Dock. Plug into data transfer speeds of up to 40Gbps—that's 8x faster than USB 3.0. It has 12 ports, giving you access to data, video, ethernet, and power—all through a single USB Type-C® cable connection. Packed with the latest PD 3.0 technology, this docking station provides up to 90W of power to efficiently charge your laptop plus connected devices simultaneously, so you don't have to choose between port expansion and charging. Offering up to 4K video resolutions for dual displays and up to 8K video resolutions for a single display, users can now be immersed in a smoother and clearer visual experience. It also supports triple monitor displays up to 4K on select laptop models.

Specific resolutions for monitor combinations
(learn more at belkin.com/INC006):

Single-Monitor Support	Dual-Monitor Support	Triple-Monitor Support
8K (7680 x 4320) @ 30Hz	4K (3840 x 2160) @ 60Hz	1x 4K (3840 x 2160) @ 60Hz + 2x 4K (3840 x 2160) @ 30Hz

Product Benefits

- Access up to 40Gbps data transfer speeds—that's 8x faster than USB 3.0
- Connect to HD video resolutions on multiple displays (see table below for specific resolution capabilities*)
 - Access 4K @ 60Hz for dual monitors
 - Triple 4K displays available with select laptops
 - Also supports 8K @ 30Hz for a single monitor
- 12-in-1 universal dock offers multiport connections for power, data, and video—all through a single cable
 - 2x Thunderbolt 4 ports (1 x upstream, 1x downstream)
 - 2x HDMI® 2.0
 - 1x USB-C 3.1 Gen 2 (supports QC 4.0)
 - 2x USB-A 3.1
 - 2x USB-A 2.0
 - 1x SD card 4.0
 - 1x Gigabit Ethernet
 - 1x 3.5mm audio combo
 - Power Delivery 3.0 up to 90W, supports DMC*
- Included 2.6 ft./0.8m Thunderbolt 4 cable is backward-compatible with Thunderbolt 3 and USB-C
- Thunderbolt 4 certified, delivering faster speeds while connected to multiple peripherals and devices
- USB4™ compliant
- Power Delivery 3.0 delivers up to 90W of pass-through charging of connected devices
- Supports DMC* to safely deliver dynamic, optimized power to the host, peripherals, and other devices
- QuickCharge™ 4.0 port delivers a powerful charge to your compatible devices
- 4x USB-A ports provide convenient, extended connectivity for additional devices

*Supports Dock Management Controller (DMC). The PD charging supports up to 90W, but when there's other devices plugged into the dock, the DMC will lower the charging voltage to the host.

CONNECT→™ Pro Thunderbolt™ 4 Dock

Technical Specifications

- W: 7.9 in./200mm
- D: 2.9 in./73mm
- H: 1.3 in./34mm
- 2.6 ft./0.8m Thunderbolt 4 cable
- 90W PD 3.0, supports Dock Management Controller (DMC)*

Compatibility

macOS

Windows®

Thunderbolt 4

Thunderbolt 3

Compatible with devices that have a video-enabled USB-C® port

Package Includes

- CONNECT Pro Thunderbolt 4 Dock
- 2.6 ft./0.8m Thunderbolt 4 cable
- 120W power supply unit

SKU#: IINC006ttSGY, INC006vfSGY, INC006qcSGY

The Belkin CONNECT Family

CONNECT products are all about making connections. From cables that charge and share data to docks that bring devices together for a more streamlined experience, CONNECT delivers data in the most efficient way possible while maintaining the highest levels of quality. The very first product Belkin released to market was a cable, and we are proud to say that making connections has been an essential part of our story ever since.

The Belkin CONNECT Family Characteristics

- One-cable solution to connect peripherals to a computer
- Multiple ports provide fast, simultaneous connection
- Connect and sync through a single cable
- Certified by relevant bodies for compatibility (examples include USB-IF, MFi, Intel)
- Support maximum speeds allowed by hero protocols (Thunderbolt 4, Thunderbolt 3, USB-C) to fully utilize up-to-the-minute advances in technology
- Intuitive designs provide highly efficient “mini-office” solutions
- Support high-definition protocols for an enhanced visual experience

The Belkin Difference

- Pioneer in innovation and technology for over 35 years
- Innovative solutions designed to suit both professional and at-home users
- Building on the success of the Thunderbolt 3 Express Dock HD named CES 2018 Best of Innovation Awards Honoree
- Rigorously tested to ensure safe connection for users and devices
