

## THE FAIRPHONE (GEN. 6)

# Switch to fair. Switch to better.

**Modular  
European  
Design**

**Industry  
leading  
Longevity**

**Best-in-class  
Performance**

**Fairphone  
Moments:  
Two phones  
in one**

**fairphone**

## Fair specs

 **100% E-WASTE NEUTRAL**  
For every Fairphone we sell, we responsibly collect and recycle an equivalent weight of electronic waste.

 **EASY TO MAINTAIN**  
Replace up to ten spare parts inside by yourself. All you need is a screwdriver and a few minutes.

 **IMPROVED WORKING CONDITIONS**  
The Fairphone (Gen. 6) is assembled in fair factories and supports living wage bonuses.

 **UP-TO-DATE UNTIL 2033**  
Get software and security updates until 2033, with at least seven major Android OS upgrades.

 **MADE WITH FAIR MATERIALS**  
The Fairphone (Gen. 6) contains more fair and recycled materials than any other Fairphone ever, with Fairtrade gold integrated in the supply chain

 **FAIRER BATTERY**  
The removable lithium-ion battery is made with responsibly-sourced lithium, with the cobalt used inside compensated for with cobalt credits.

## Tech specs

 **MULTITASK LIKE A PRO**  
The Fairphone (Gen.6) packs a Snapdragon® 7s Gen 3 processor that is fast and efficient, with zero lag and zero stutter.

 **POINT. SHOOT. WOW!**  
50MP main camera. 13MP ultra-wide lens. 32MP front camera. Optical Image Stabilization. Ai-enhanced low-light capabilities. Get the best shot every time.

 **6.3" LTPO OLED DISPLAY**  
Crystal-clear and buttery smooth always, thanks to a 120Hz refresh rate.

 **LONG-LASTING BATTERY**  
Comes with a removable, 4415mAh Li-ion battery that lasts almost two full days on a single charge.

 **FIVE-YEAR WARRANTY**  
Plus eight years of software support and guaranteed long-term spare parts availability.

 **FAIRPHONE MOMENTS**  
Full Android when you want it all. A calm focus mode when you need space. Just hit the switch.
