- Max. Weight of 1.4 kg
- Max. Screen size of 13"

### PRODUCT

Our 360 Stand is a longtime best-seller intended for counter-top use as a secure interactive display or kiosk. The combination of one of our Enclosures or Universal Mounts and 360 base allows you to display your screen in a professional manner with a clean and comfortable look.

This counter-top kiosk has full screen tilt that allows you to reverse the screen to show your customer, visitor, or clientele the on-screen information. The mount allows you to easily rotate between Portrait and Landscape modes and the base can be securely bolted to the counter.

## FUNCTIONS

- 100mm x 100mm VESA Compatible Mount
- 90 Degree Screen Rotation
- Full Reverse Screen Tilt
- Weight Balanced Base
- Can Be Bolted to the Surface
