- Tethered USB-C cable for easy access

- Ultra-portable/Slim design

- Powered through USB-C host device

- Charge peripherals with 900mAh (shared)

Package Includes:

- 4-port hub with tethered USB-C Cable

4-PORT MINI HUB (USB-A + USB-C)

For: USB-C compatible laptops,
USB-A and USB-C compatible devices

BENEFITS:

ALL DEVICES WELCOME

Connect all your peripherals to your new USB-C device with one compact hub. Two USB-A ports connect existing devices, and two dedicated USB-C ports for newer peripherals. Existing or new, your keyboard, mouse, flash drive or cable to sync other devices, will all find a home with this compact hub.

5 GBPS SPEEDS

Connect your devices to the hub to sync, and enjoy data transfer of 5 Gbps. That's fast by any standard, let alone a multi-tasking hub that's the size of a pack of playing cards.

CONNECT ANYWHERE

Small, compact and lightweight, the 4-Port Mini Hub can slip into your laptop bag and go wherever you go. Plus, the tethered cable that connects the hub to your USB-C laptop folds away inside the hub for neat storage.
