

ARTICONA is Bechtle's own brand of IT accessories for the modern workplace and stands for quality and reliability in everyday business.

FO Duplex Patch Cable LC-LC 50µ, Heather violet

Article numberr: see below

The Uniboot FO patch cable enables space-saving and efficient cabling. It's ideal for using at high system densities. The duplex cable's fibres are within a single cable sheath. The Uniboot connector enables simple polarity reversal as required.

- Space-saving Uniboot design, duplex cables within a single cable sheath
- Connector with reversible polarity
- Cable external dimensions: 3 mm
- Halogenfree
- For use in data centres with high system density
- Ensures efficient and space-saving cabling
- UPC male
- Complies with IEC 61754-20, IEC 610304-2, IEC60332-3-1, IEC60754-2
- Incl. test certificate
- RoHS 2.0 and Reach-compliant

Specifications

FO mode	Multimode
Ports	LC LC
Colour	Heather violet
Transmission	Duplex
Fibre diameter	50/125 µm (Multimode)
Fibre type	OM4
LED	No
Product type	Fibre optic patch cable
