

## Key Features

- Expanded connectivity with additional USB-C, Display Port, HDMI, VGA, PC Audio inputs
- USB-powered solution eliminates the need for adaptors, minimizing cable clutter
- Seamless integration with the ViewBoard IFP50-5 series user interface

## Product Description

Expand connectivity with the ViewBoard Dock (VB-IOB-001), an accessory for the ViewBoard IFP50-5 Series. It offers a comprehensive range of input options including USB-C, Display Port, HDMI, VGA, and PC Audio ports. The ViewBoard Dock is powered by the ViewBoard via USB, minimizing cable clutter by removing the need for extra adaptors. Seamlessly integrating with the ViewBoard IFP50-5 series interface, the ViewBoard Dock ensures a user-friendly and intuitive experience.

## SUPPORTED VIEWBOARD

ViewBoard IFP50-5 Series

## SUPPORTED OPERATION SYSTEM

Android 9 and above

## I/O PORT - CONNECT TO EXTERNAL DEVICE

USB Type-C in: x1, DP1.2 (Alt mode only)

DP in: x1, DP1.2

HDMI in: x1, HDMI 2.0

VGA in: x1

PC Audio in (3.5mm): x1

## I/O PORT - CONNECT TO VIEWBOARD

HDMI-OUT: x1

USB 2.0 type-A cable: x1

## POWER

Consumption: 5V / 0.5A (by USB port)

## OPERATING CONDITIONS

Temperature (° C): 0°C ~ 40°C

Humidity: 10% ~ 90% R.H. Non-Condensing

## DIMENSIONS (W X H X D)

Physical (inch / mm): 204.4 x 38.5 x 23.2 mm  
Including plate

## REGULATIONS

EMC/CE Report, LVD report, Green BOM, RoHS DoC, ErP-Eco, REACH DoC, SCIP, WEEE report, TPCH DoC, Packing waste, CA65 DoC, PAIA, FCC/ICES003

## PACKAGE CONTENTS

1. HDMI Cable x1
2. Mounting Bracket x1
3. Screws x2
4. Quick Start Guide
