

200 MP

200 MP - The highest resolution

Capture incredibly detailed low-light photos with a massive sensor using Ultra Pixel technology.

Industry-leading Snapdragon® 8+ performance¹

Fuel everything from breakthrough speeds to elite gaming with Qualcomm's fastest, most powerful processor.

125 W - The fastest TurboPower™ charging

Get power for the day in just 7 minutes of charging.²

Borderless 6.67" pOLED 144 Hz³ display

Enjoy breathtaking views from edge to edge, over a billion shades of true-to-life colour, and a crazy-fast refresh rate.

CAPTURE LIFE WITHOUT LIMITS

Stunning endless edge design

Immaculate craft meets extraordinary comfort with seamlessly blended matt glass encased in a premium, sandblasted aluminium frame.

Cinema-quality Dolby Atmos® sound

Immerse yourself in multidimensional sound, whether listening to headphones or your phone's powerful speakers.

Unleash your phone with Ready For

Connect wirelessly to a TV to play mobile games, make video calls, and use your phone's apps on a big screen.⁴

PERFORMANCE

CPU Snapdragon® 8+ Gen 1 Mobile Platform
OS Android™ 12
Memory 12 GB of LPDDR5 RAM
Storage 256 GB built-in storage⁵

BATTERY

Size 4610 mAh
Charger 125 W TurboPower™ charging
 Up to 50 W TurboPower wireless charging⁶
 10 W wireless power sharing

DISPLAY

Size 6.67" Endless Edge Display
Resolution FHD+ (2400 x 1080) | 394 ppi
Display Technology pOLED | 144 Hz refresh rate
Aspect ratio 20:9
Screen-to-body ratio Active Area-Touch Panel (AA-TP): 92.12%
Display Certification HDR10+

DESIGN

Dimensions; weight
 161.76 x 73.5 x 8.39mm; 198.5 g
Water protection
 IP52 water repellent design⁷
Colours

Interstellar Black

CONNECTIVITY

Wi-Fi Wi-Fi 802.11 a/b/g/n/ac/ax | 2.4 GHz | 5 GHz | 6 GHz | Wi-Fi 6E | Wi-Fi hotspot
USB Type-C port (USB 3.1)
Bluetooth Bluetooth® 5.2

AUDIO

Speakers Dual Stereo Speakers
 Tuning by Dolby Atmos™
Microphones 3

OTHER

In box accessories TurboPower™ 125 W charger, USB Type-C to USB Type-C cable, Guides, SIM tool, Protective case

CAMERAS

Main Rear Camera
 200 MP sensor | Ultra Pixel Technology for 2.56 µm | OIS
Camera 2
 50 MP | 114° Ultra-wide | Macro Vision | Quad Pixel technology for 1.28 µm
Camera 3
 12MP | Portrait (2x telephoto)

Front
 60 MP sensor | Quad Pixel technology for 1.22 µm

EXPERIENCE

Personalise: Styles, Wallpapers, Layout
Display: Peek Display, Attentive Display
Gestures: Quick Capture, Fast Torch, Three-finger screenshot, Pick up to silence, Screenshot toolkit, Media controls
Play: Gametime

Certain features, services, and applications are network dependent and may not be available in all areas; additional terms, conditions, and/or charges may apply. Contact your service provider for details. Use of this device is subject to the terms of your wireless service plan. This product meets applicable Radio Frequency Emission Exposure Guidelines. Accessories individually labelled. MOTOROLA, the Stylized M Logo, MOTO, and the MOTO family of marks are trademarks of Motorola Trademark Holdings, LLC. 1. Based on the combination of published AnTuTu rankings and an internal combined edge 30 ultra score of 1037617. Results may vary depending on temperature and settings. 2. Median users can get up to 12 hours of battery life in 7 min of charge. Battery must be substantially depleted; charging rate slows as charging progresses. All battery life claims are approximate and based on the median user tested across a mixed use profile (which includes both usage and standby time) under optimal network conditions. Actual battery performance will vary and depends on many factors, including signal strength, network and device settings, temperature, battery condition, and usage patterns. 3. Actual refresh rate may be less and will vary based on app/content limitations and requirements, device mode settings, and other factors. 4. Ready For wireless connection is supported with TVs that support Android smartphone screen mirroring (Miracast) only. Ready For wired connection supported with TVs or monitors that have HDMI port or USB-C video-in port; Video-enabled USB-C cable or USB-C-to-HDMI adaptor required. 5. Available user storage is reduced due to many factors, including operating system, software and functions utilising part of this capacity; may change with software updates. 6. Requires Motorola TurboPower 50W Wireless Charging Stand; sold separately. Battery must be substantially depleted; charging rate slows as charging progresses. All battery life claims are approximate and based on the median user tested across a mixed use profile (which includes both usage and standby time) under optimal network conditions. Actual battery performance will vary and depends on many factors, including signal strength, network and device settings, temperature, battery condition, and usage patterns. 7. Water repellent design creates a barrier to help protect against moderate exposure to water, such as accidental spills, splashes or light rain. Not designed to be submerged in water, or exposed to pressurised water, or other liquids; may diminish over time. Not waterproof.
