MODULE UPGRADE

Item no: 710319
EAN Number: 7320287103199

The Zebra ET4x series Module Upgrade Cradles from Brodit are designed to withstand frequent wear and tear in professional every day use, providing a more productive working day and better working environment with your device within sight and reach. Safe, efficient and convenient!

This cradle is the perfect choice when you want to have your device installed in place and easy accessible.

It has a robust design for use in a normal forklift environment. You have full access to the camera,scanner, buttons and ports while docked. Easy one-hand insertion and removal.

Attach the cradle onto any flat surface or Pedestal Mount in a forklift, truck, distribution vehicle, warehouse, table top etc. With 4 mm AMPS and 4 mm VESA 75 standard holes. Made of high grade ABS-, Acetal-plastic. Color: Black. Made in Sweden.

This is a Module Upgrade Cradle, this means that you can upgrade or replace features by using some of the following modules:
Item no. 216313 Spring stud lock
Item no. 216312 Key lock

Choose installation placement with care, devices must not be placed in positions where they may block the view or important controls. The cradle should only be attached onto a suitable place. Installations always take place at the customer's own discretion and responsibility.

Fits the following models:
Zebra ET40 10
Zebra ET45 10
