

Flipchart MAULoffice, four-legged

MAUL

- **High-quality stability and design**
- **Made in Germany, 3-year warranty**
- **Sturdy:** Board made of sturdy 0.9 mm steel, with triple-folded edges for stability
- **Convenient:** Tabletop height is infinitely adjustable from the front, ranging from 118.5 cm (lowest position) to 195 cm (highest position)
- **Lightweight and stable:** Frame made of high-quality aluminum profile, 35 x 20 mm
- **Wear-resistant:** Height adjustment lock designed with heavy-duty clamping screws
- **Spacious:** Tray spanning the entire width for markers and larger accessories
- Work while standing or sitting - ideal for wheelchair users and children, for example
- Magnetic whiteboard, 70 x 100 cm, powder-coated
- Flexible: Notepad holder, horizontally adjustable individually for all standard notepad sizes (Notepad Item No. 638 78 02)
- Tried and tested over time: The 1 mm steel cover flap also serves as a tear-off edge for the paper and stays in any desired position thanks to spring washers
- Tilt-resistant: Four-legged frame ensures exceptional stability
- Quick and easy to set up: Unfold - slide the board up - done
- Easy to carry; fold up when not in use and store to save space
