

# THINKCENTRE TINY-IN-ONE DUAL MONITOR STAND

## TINY-IN-ONE (TIO) DUAL MONITOR STAND.

Lenovo™

### CONVERT MOST MARKET MONITORS INTO A DUAL-SCREEN TINY-IN-ONE (TIO)

A Tiny-in-One (TIO) provides all the benefits of an All-in-One (space-saving, simplified cable management, cleaner desktop) while at the same time giving IT managers the flexibility to refresh the monitor and the PC separately. The Tiny-in-One (TIO) Dual Monitor Stand gives even more flexibility by supporting most market monitors and enhancing productivity with two full size monitors.

#### WHY YOU SHOULD BUY THE LENOVO™ THINKCENTRE® TINY-IN-ONE DUAL MONITOR STAND

##### Enhanced deployment, upgrade, and refresh flexibility

Customers value the space-saving and cable management features of a Tiny-in-One (TIO) monitor. ThinkCentre TIO Dual Stand allows the end-user to use his/her own monitor as well. The stand supports a broad range of monitors from 17" to 27" to be attached, giving IT managers the maximum amount of choice when creating Tiny-in-One.

##### Greater productivity and convenience

As the name suggests the ThinkCentre Tiny-in-One Dual Monitor Stand supports up to two monitors allowing users to have several applications open in parallel, making work more productive, efficient and convenient.

##### Optimized ergonomics

Repetitive-stress issues are a constant problem in the workplace. The ThinkCentre TIO Dual Stand help alleviate that with adjustable height and tilt functions to ensure to proper viewing angle for extended use.

#### THE LENOVO THINKCENTRE TINY-IN-ONE DUAL MONITOR STAND IS BEST SUITED FOR

**1** | Customers that require an All-in-One form factor because of its clean, space-saving, clutter-free design.

**2** | IT managers that desire to extend the useful life of their monitors by converting them into an All-in-One.

**3** | End-users, like healthcare and financial professionals, who rely on multiple screens in order to be productive and successful.
