

8 Port Rackmount KVM Console w/ 6ft Cables - Integrated KVM Switch w/ 19" LCD Monitor - Fully Featured 1U LCD KVM Drawer- OSD KVM - Durable 50,000 MTBF - USB + VGA Support

Product ID: RKCONS1908K

This rack-mount KVM console provides complete keyboard, monitor and mouse control for eight computers. The rack-mount console installs into 1U of rack space, offering a space-efficient solution for complete console control.

Maximize your IT budget, minimize your hassle

This 8-port KVM switch provides all the essential controls you'll need to manage your server room at a low cost. The console features a built-in touchpad, keyboard for intuitive control and an LCD display that supports resolutions up to 1280x1024.

Maximize your screen space

This versatile rack-mount LCD console has a 19 in. screen. The increased screen space allows you to run multiple applications on the same screen, increasing your productivity.

Clutter-free monitoring

The console slides out from 1U of rack space, enabling you to easily monitor and control eight servers and even more if connecting through a KVM switch. The rackmount VGA console features a handle for easy sliding in and out of the server rack, keeping your area organized and clutter-free.

Hassle-free system integration

The rackmount LCD features an 8-port KVM module, which enables you to connect it directly to eight servers. You can also connect to additional servers by connecting to KVM switches in a cascaded (daisy-chained) configuration. The KVM module offers the flexibility you need for easily integrating the console into your existing server infrastructure.

The RKCONS1908K is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

- Control a single system, or dozens of KVM-connected computers
- Improve the internal space efficiency of your server cabinet
- Manage cabinet-mounted servers and KVM switches
