

Microsoft Surface Studio 2+

Make a statement in form and function

Bring attention-worthy design to your workspace and fluid collaboration to your team with Microsoft Surface Studio 2+. A minimal footprint and exceptionally thin profile combine with brilliant color and blazing-fast graphics while an enhanced camera and dual Studio Mics take collaboration to the next level. Designed to draw attention, it may even spark a little envy.

BENEFITS

Make meaningful connections on video calls with the best quality camera you can get on a Surface. Enjoy more accurate skin tones, superior color reproduction, and a crisp, high-resolution image even in low-light conditions.

IT can rest easy knowing even the most confidential data is safe. Secured-core PCs are the most secure Windows 11 devices for workers handling the most sensitive data. Maintain control of sensitive information with a removable hard drive for data retention.

Multitasking has never been mightier. Amplify productivity with a brilliant 28" PixelSense™ touchscreen display—from a 13.5 million-pixel view of a 3D model to viewing four apps on screen at the same time.

Enjoy easy and natural inking with the 28" PixelSense™ touchscreen

Front-facing camera with 1080p HD video

Strikingly large 28" PixelSense™ touchscreen

Essential ports, including USB-C with Thunderbolt™ 4

Microsoft Surface Studio 2+

⁴ Sold separately

⁵ Requires license or subscription (sold separately) to activate and use.

⁶ Activation required. If your device is managed by your organization's IT department, contact your IT administrator for activation. If you activate your trial outside your organization, after 30 days, you will be charged the applicable monthly or annual subscription fee. Credit card required. Cancel any time to stop future charges. See <https://aka.ms/m365businesstrialinfo>. (Japan versions are pre-installed. Not a trial. Need to call it out in OS.)

⁷ Download the full Eco profile see – https://aka.ms/ProX_EcoProfile

⁸ Customer Replaceable Units (CRUs) are components available for purchase through your Surface Commercial Authorized Device Reseller. Components can be replaced on-site by a skilled technician following Microsoft's Service Guide. Opening and/or repairing your device can present electric shock, fire and personal injury risks and other hazards. Use caution if undertaking do-it-yourself repairs. Device damage caused during repair will not be covered under Microsoft's Hardware Warranty or protection plans. Components will be available shortly after initial launch; timing of availability varies by component and market.

⁹ Microsoft's Limited Warranty is in addition to your consumer law rights.
