

Original HP Toner Cartridges for Samsung printers

PRODUCE PROFESSIONAL-QUALITY PRINTS

Optimized for Samsung printers, Original HP Toner Cartridges deliver premium toner, which provides outstanding resolution and accurate colors capable of printing thousands of shades and tints. Original HP Toner Cartridges provide crisp details and precise color expression without blurry patterns—even with small text.

KEEP YOUR PRINT QUALITY CONSISTENT

Original HP Toner Cartridges help keep your printing quality consistent from the first page to the very last, because they are the only toner cartridges engineered specifically for Samsung printers.

COUNT ON RELIABILITY

Avoid failed cartridges, which may result in more time and money spent on reprinting, not to mention more wasted toner and paper. No need to worry about cartridges being dead on arrival or failing prematurely. Original HP Toner Cartridges arrive ready to print for the full expected life and stated yield of the cartridge.

Whether black and white or full color, Original HP Toner Cartridges deliver excellent quality, outstanding toner adhesion, and reliable consistency. We know because we submit them to rigorous reliability tests.

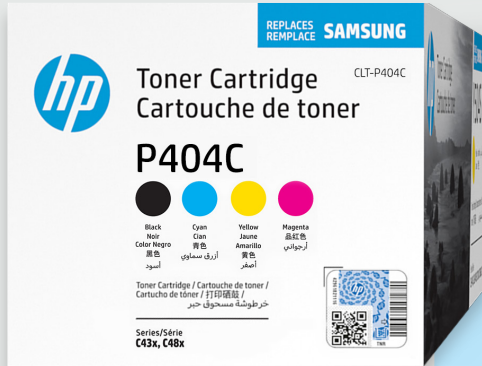

New Original HP Toner box for Samsung

Count on Original HP Toner with the same cartridge number for your Samsung printer for quality, reliability, and sustainability.

MAKE SURE YOUR CARTRIDGES ARE ORIGINAL HP TONER

Follow these simple steps to check your security label. Remanufactured or clone toner cartridges do not carry an HP logo.

Two easy steps to check HP authenticity

1. "OK" and "V" move in opposite directions when tilting the box up and down.
2. "OK" and "V" move in the same direction when tilting the box left to right.

DESIGNED WITH THE ENVIRONMENT IN MIND

Original HP Toner Cartridges never go into landfills when recycled through HP Planet Partners.² For more information on the recycled materials used in cartridges, please see hp.com/tonerrecycledcontent.
