

Kensington®

Lift Your Laptop for Optimal Viewing

SmartFit® Easy Riser™ Laptop Cooling Stand

With over 20 years of ergonomics expertise, trust Kensington to maximise your desktop space with this professional laptop cooling stand. Our patented SmartFit System allows you to customise the height and angle of your laptop screen using the included hand chart to find your personal comfort colour, reducing back, neck, and eye strain. The Easy Riser lifts your laptop off your desk, promoting airflow to improve battery performance and ease the strain on internal components.

Features & Benefits:

- **SmartFit® System:** Allows you to dial in your ideal height setting using the colour-coded fitting chart, with up to a 50-degree tilt angle so you can make a fast adjustment in two easy steps
- **Secure Fit:** Padded inserts provide non-slip stability for any laptop between 12"-17", keeping it firmly and safely in place while you work
- **Increased Air Circulation:** By lifting laptop off the desktop, it dissipates heat buildup and keeps the laptop cooler, easing the strain on the battery and internal components
- **Highly Portable:** Designed to quickly and easily fold flat so it saves space in your bag when you're traveling on long or short trips

Why Trust Kensington?

For more than 20 years, Kensington has been the brand that professionals choose when they need innovative and comfortable ergonomic solutions for their business or home office. Leveraging a U.S. Army study, the patented SmartFit System is second to none in self-fitting to help alleviate aches and pains at the desk. This product has been designed with high-quality components so it's built to last.
