

## DATASHEET

# Zone Wired 2 for Business

Zone Wired 2 for Business with adaptive hybrid ANC and noise-canceling mic helps employees stay focused and productive in busy work spaces. Proprietary 40 mm drivers are purpose-built to optimize calls, music, and ANC capabilities. Intuitive on-ear controls and a comfortable headset strap make it easy to use and wear all day.

- **Adaptive hybrid ANC:** Dynamically adjusts the noise cancellation level in real time, so you can stay focused in different work or home environments<sup>1</sup>
- **Custom-designed driver:** Our 40 mm driver is purpose-built to offer enhanced ANC and bass performance
- **Microphone for open office environments:** 2 noise-canceling mics and AI-based algorithms suppress noises from nearby talkers
- **Extended wear with comfort:** Engineered with a headset strap design that distributes weight evenly
- **Replaceable parts, longer life:** Easily swap earpads and headset strap with no tools needed<sup>2</sup>
- **Improved power efficiency:** Power consumption is reduced by up to 79% compared with Zone Wired<sup>3</sup>
- **Certified for business:** Certified for *Microsoft Teams*, *Zoom*, *Google Meet*, and *Google Voice*<sup>4</sup>

<b>Connectivity</b>	Connection types	USB-C wired or USB-A adapter <sup>5</sup>
	Cable length	1.9 m (6.23 ft)
<b>Audio</b>	Adaptive hybrid active noise cancellation (ANC)	5 different modes: ANC high/low <sup>6</sup> /adaptive <sup>6</sup> , Transparency on, ANC and Transparency off
	Microphone type	2 noise-canceling mics with Mic EQ <sup>6</sup> ; Meets Microsoft Teams premium microphone for open office requirements
	Sound quality	Custom-designed 40 mm speakers offer enhanced ANC and bass performance; EQ for music and calls <sup>6</sup>
	Mic EQ <sup>6</sup>	Optimizes the user's voice to sound brighter or deeper in calls
	Hearing protection	EN 50332-2 compliant; G616-compliant to protect ears from acoustic shock and long-term sound exposure <sup>6</sup>
<b>Simple to manage</b>	Logitech Sync	Monitor and manage personal collaboration devices from one single platform with Logitech Sync. Sync supports company-wide deployments at scale and simplifies tasks such as firmware updates and feature enablement <sup>7</sup>
	Silent firmware updates	Deploy firmware updates in Logitech Sync regardless of the headset's status without requiring user input <sup>7</sup>
<b>Certified for Business</b>	Certifications	Certified for Microsoft Teams as a Premium Microphone for Open Office, Zoom, Google Meet, and Google Voice <sup>4</sup>
