

Clamp / Tension Bracket

00201515 "Flipper" Car Mobile Phone Holder for Grating, 360-degree Rotation, Univers

Highlightstext:

- Compact clamp holder for securely attaching a smartphone to a car grating
- Adaptable: simple and customised adaptation to the device thanks to mobile clamp holder
- for portrait or landscape format: 360° swivel holder for optimised orientation of the smartphone
- Compact design for space-saving attachment
- Suitable for every smartphone with and without case or or protective sleeve
- The car phone holder is compatible with smartphones with a width of 6 - 8 cm- Easy insertion and removal of the device by slightly pulling apart the clamp holder, locking is automatic- Access to the smartphone's charging socket remains free, so that the device can also be charged while driving- The high-quality aluminium housing gives a sophisticated look to the cockpit- The phone can be turned as desired, e.g. for horizontal navigation on the smartphone- The smartphone holder is attached to the ventilation outlet without gluing or drilling, so it fits in almost every car and can be easily removed when needed
