## SKU: 109IPDSB

### PRODUCT DESCRIPTION

The Space iPad Enclosure features rounded edges and open corners for improved ventilation and allows limited access to the on- and off-button and inputs.

As with all our iPad lock and tablet lock devices, the tablet can be continuously charged while in the enclosure and have peripheral cables plugged in while mounted. Mount this enclosure flush to the wall or surface via the standard VESA pattern or pair it with one of stands for additional kiosk experiences.
