

Office keyboard, bluetooth

00125132 "Travel 400" Bluetooth® Mini-Keyboards for Tablets, Wireless, blk, QWERTZ DE

Highlighttext:

- Small keyboard in slim design: this mini-keyboard with Bluetooth connection is always to hand and can be used anywhere - wireless and ideal for mobile devices such as tablets and smartphones
- Super-small keyboard marvel: thanks to the slimline design, the mini keyboard with Bluetooth connection is always to hand, fitting easily into a backpack and tablet compartment
- Simply swap: the cordless keyboard is battery-operated and does not need to be charged up in between - ideal for mobile working and life on the move
- Maximum compatibility: the small Bluetooth keyboard can be used anywhere - if necessary for smartphones, laptops and desktop PCs with a Bluetooth receiver too
- Long-lasting and sturdy scissor keys: ideal for intuitive, fluid and quiet typing even at very high input speeds
- Activate with Fn: control multimedia functions via the secondary assignment of F keys - without having to use the tedious route of system settings
- More productive with artificial intelligence: Assist button activates the cross-program AI assistant
- FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
- Compact and versatile: the 75% keyboard without number block saves space and, as a mini keyboard, meets all the requirements for mobile working on all devices, when studying, in the home office and also for life on the move
- Reliable Bluetooth technology with a range of 10 metres (depending on conditions of use and environment)
- Pair the keyboard with a Bluetooth device and get typing: no driver installation required
- Separate On/Off switch for the wireless keyboard
- Standby mode after 5 minutes of inactivity of the wireless keyboard
- Practical rubber feet: rubber-finish surfaces on the underside ensure good grip and flexible handling

System Requirements:

- All functions can be used with the Windows 11/10 operating systems
- May be usable to a limited degree with the MacOS 11 or later, iOS 14 or later, iPadOS 14 or later or Android 8.0 or later operating systems
