

Air Purification Device

00186437 "Smart" Air Purifier, Voice / App Control, 3 x Filter for Viruses, etc.

Highlightstext:

- Air purifier with a smart extra feature: for the removal via app and voice control of pollen, viruses, bacteria, fine dust, etc. from indoor air, creating a healthy room climate and promoting well-being
- Powerful triple filter: multiple filtering for hygienic room air thanks to pre, Hepa (H13) and activated charcoal filters
- Healthy air: the air sensor analyses the room air and automatically adjusts the fan speed to eliminate particles
- Our air purifier works without any gateway (hub): you don't need an additional device, and you save on extra costs since the air purifier establishes a direct WiFi connection to the router
- Be it on the sofa or the train: with the Hama Smart Home app, control your air purifier from anywhere and have control over your room air at all times
- Whether it be Amazon Alexa or Google Assistant: conveniently operate the air purifier via voice command or combine other smart devices with it via the app, e.g. the heating control
- Suitable for room sizes up to 65 m² with a CADR air purifying capacity of approx. 250 m³/h
- Pre-filter for removing e.g. house dust and pet hair from room air
- Hepa filter for removing viruses, bacteria, fine dust and pollen
- Activated charcoal filter also removes odours and gas emissions
- Once normal air quality has been reached, the sensor reduces the speed of the fan
- The fan speed can also be adjusted manually
- For sleep mode, simply select the lowest fan setting and switch off the backlit display: the room air is then purified almost silently for uninterrupted, pleasant sleep with no light sources to disrupt your slumbers
- Timer function for 2, 4, and 8 hours
- Filter change indicator on the display
- Manual or app-based device control
- High compatibility: works with Amazon Alexa, Google Assistant, Amazon Echo Show and Google Nest Hub, iOS and Android. Can also be connected to all Alexa and Google Assistant-compatible smart home products from other manufacturers
- Your data is stored exclusively on German servers

System Requirements:

Operating system: Android 4.4 and iOS 8.0 or later

Note for Consumers:

Filter service life based on daily use: approx. 6 - 12 months

Suitable for rooms up to: 21 m² (Ansi/AHAM AC-1 2015) – 65 m² (NRCC-54013-2011)

Only suitable for indoor use

Technical characteristics:

- Signal Transmission: WiFi
- Additional Functions: Automatic Function
- Display: Filter Change
- Filter: Activated Carbon Filter/Combination Filter/HEPA-13-Filter/Pre / Coarse Filter
- Material: Plastic Material
- Voice Assistant: Amazon Alexa (AVS)/Google Home
- Depth: 24.4 cm
- Height: 54.4 cm
- Weight: 4080 g
- Width: 24.4 cm
- Power Supply: 24 V DC

Air Purification Device

00186437 "Smart" Air Purifier, Voice / App Control, 3 x Filter for Viruses, etc.

- According to Ansi / AHAM AC-1 2015 suitable for rooms up to: 21 m²
- According to NRCC-54013-2011 suitable for rooms up to: 65 m²
- CADR Value: 250 m³/h
- Cleaning Stages: 1/2/3/Automatic
- Frequency Band: 2,4GHz
- Nominal Power Consumption: 45 W
- Timer preselection up to: 8 h
- Colour: Silver
- Product Division: Home & Living
- App Control: Hama Smart Home

Delivery:

- 1 "Smart" air purifier
- 1 3 x filter (comprising a pre-filter, Hepa (H13) filter and activated charcoal filter)
- 1 instruction manual
