PanzerGlass™ Edge-to-Edge is a Case friendly screen protector made of flat tempered glass and covers the entire front surface of the device. The glass features full silicone adhesive which is carefully optimised to match the screen and device perfectly while saving a perfect touch sensitivity and still delivering the superior PanzerGlass™ strength.

PanzerGlass™ delivers ease of mind by providing industry leading screen protection for cell phones and tablets. At only 0,4 millimeters thick and meticulously engineered to compliment the design of your phone, PanzerGlass™ provides impact protection and scratch resistance second to none. Available to virtually every phone and tablet model currently on the market.
