

TCL TAB10

LTE Gen2

Superior clarity.
Sleek and refined.

TCL TAB10

LTE Gen2

Watch movies in ultra-clarity with 10.4" 2K bezel-less display

Massive 10.4" 2K IPS display with NXTVISION delivers true-to-life images for immersive visual enjoyment; the bezel-less screen offers an expanded view for video streaming.

Impressive look and feel with a metallic design in a light & slim body

Easily carry it around and work on the go thanks to the light & slim body. With the aluminum back cover, it gives a premium look and feel, easily standing out from the crowd.

Powerful performance with Android™ 13, Octa-core & 4G

Optimized user experience with latest Android™ 13 operating system. The powerful Octa-core processor enables fast and fluid multitasking, lag-free HD video streaming and other power-hungry tasks. A built-in 4G LTE chipset lets you stay connected on the move and rely less on public Wi-Fi access.
